Quiero vivir – Slow

VERBO “QUERER + INFINITIVO”

Spanish

Estar en casa está bien
en esa jaula de cristal.
Estar sentado en el sofá
sin nada en qué pensar.
Tú solo quieres descansar,
quieres salir a pasear,
solo quieres ver la tele
y dormir en el sofá.
Pero yo,
yo quiero salir,
yo quiero vivir.
Quiero ir a un concierto,
quiero ir de excursión,
quiero salir de fiesta
y ver una exposición.
Tu padre no quiere viajar
y tu madre solo quiere descansar.
Tus amigos no quieren disfrutar,
tus amigas solo quieren hablar.
Vosotras queréis ir de compras,
queréis charlar y dejar el tiempo pasar,
queréis ir al cine para llorar
y queréis ver una serie para criticar.
Pero yo,
yo quiero salir,
yo quiero vivir.
Quiero ir a la playa
y tumbarme en mi toalla.
Quiero ver montañas
y viajar al Himalaya.
Y yo,
yo quiero vivir,
yo quiero sentir.
Quiero ir al fin del mundo
y ver un caballo en libertad.
Quiero subir a la Luna
y ver la Tierra desde allá.
Si no queremos acabar,
tienes que empezar a soñar,
dejar tu mente volar
y ver cómo esa preciosa niña
empieza a disfrutar.
Padre, no quiero.
Tu padre no quiere viajar,
y tu madre no quiere,
tus amigos solo quieren hablar,
y ver una exposición.
Yo quiero salir,
yo quiero vivir.
Quiero ir a la playa
y tumbarme en mi toalla.
Quiero ver montañas
y viajar al Himalaya.
Himalaya,
y yo.

English

Staying home is fine,
in that glass cage.
Sitting on the couch,
with nothing on your mind.
You just want to rest,
you want to go for a walk,
you just want to watch TV,
and sleep on the couch.
But me,
I want to go out,
I want to live.
I want to go to a concert,
I want to go on a hike,
I want to party,
and visit an art exhibit.
Your dad doesn't want to travel,
and your mom just wants to rest.
Your friends don't want to enjoy life,
your girlfriends just want to talk.
You all want to go shopping,
you want to chat and let time pass,
you want to go to the movies and cry,
you want to watch a series just to criticize.
But me,
I want to go out,
I want to live.
I want to go to the beach,
and lie on my towel.
I want to see mountains,
and travel to the Himalayas.
And I,
I want to live,
I want to feel.
I want to go to the end of the world,
and see a wild horse run free.
I want to reach the moon,
and see the earth from up there.
If we don't want it all to end,
you need to start dreaming,
let your mind fly,
and see how that beautiful girl
starts to enjoy life.
Your dad doesn't,
your dad doesn't want to travel,
and your mom doesn't want to either.
Your friends just want to talk,
and visit an exhibit.
I want to go out,
I want to live.
I want to go to the beach,
and lie on my towel.
I want to see mountains,
and travel to the Himalayas.
Himalayas,
and me.
