

Nuestra boda especial – Slow

"ADJETIVOS POSESIVOS"

Spanish

Mi padre no sabe cocinar,
tu madre no sabe planchar,
a tus hermanos no les gusta viajar,
y a sus novias les encanta criticar.
Tu hermana no quiere bailar,
su gata no sabe maullar,
a vuestros primos no les gusta hablar,
y a mis tíos no les gusta quedar para cenar.
Este verano nos vamos a casar,
nuestra boda tiene que ser especial,
pero algo tenemos que hacer,
si no, nos la van a fastidiar.
Tu abuelo solo quiere descansar,
mi tía no sabe cantar,
a mis sobrinos les encanta molestar,
y a tus amigas les gusta mucho tomar.
Este verano nos vamos a casar,
nuestra boda tiene que ser genial,
pero algo tenemos que hacer,
si no, nos la van a fastidiar.
Tú y yo somos diferentes,
nos encanta estar con la gente,
nos gusta mucho reír y hablar,
y siempre queremos con nuestra familia disfrutar.
Vaya familia más aburrida,
¿dónde está la diversión?
Tenemos que hablar con nuestros padres,
debemos encontrar una solución.

English

My father doesn't know how to cook,
your mother doesn't know how to iron,
your brothers don't like to travel,
and their girlfriends love to criticize.
Your sister doesn't want to dance,
her cat doesn't know how to meow,
your cousins don't like to talk,
and my uncles don't like to meet for dinner.
This summer we're getting married,
our wedding has to be special,
but we've got to do something,
or they're going to mess it up.
Your grandpa only wants to rest,
my aunt doesn't know how to sing,
my nephews love to annoy,
and your friends love to drink a lot.
This summer we're getting married,
our wedding has to be amazing,
but we've got to do something,
or they're going to mess it up.
You and I, we are different,
we love being around people,
we love laughing and talking,
and we always want to enjoy with our family.
What a boring family,
where's the fun?
We need to talk to our parents,
we must find a solution.
