

Mi nuevo mundo – Fast

"QUERER + SUBJUNTIVO"

Spanish

Sigo perdido en este mundo,
 buscando alguna verdad.
 Caminando hacia ninguna parte,
 intentando entender esta nueva realidad.
 Quiero ser el hombre perfecto,
 quiero tener el carácter ideal.
 Quiero ofrecerte muchas cosas
 y quererte hasta el final.
 Pero tú, tú has cambiado,
 ya no eres mi princesa de antes.
 Solo quieres ver la vida en libertad,
 quieres luchar contra las injusticias
 y al mundo salvar.
 Yo quiero que tú seas como antes,
 quiero que tengas esa mirada vibrante.
 Yo quiero que me des tus abrazos,
 quiero que me hables de amor,
 que me vuelvas a amar.
 Tú quieres que yo deje mis sueños,
 quieres que yo te tenga presente.
 Quieres que haga todo lo que quieres,
 que ponga en ti mi pasión y mi mente.
 Yo quiero que tú seas como antes,
 quiero que tengas esa mirada vibrante.
 Yo quiero que me des tus abrazos,
 quiero que me hables de amor,
 que me vuelvas a amar.
 Quiero que vayas al fin del mundo,
 para que descubras lo que has perdido.
 Quiero que entiendas que ya no soy tuyo,
 quiero que sepas que escojo un nuevo rumbo.
 Pero tú, tú has cambiado
 ya no eres mi princesa de antes.
 Solo quieres ver la vida en libertad,
 quieres luchar contra las injusticias
 y al mundo salvar.
 Yo quiero que, tú has cambiado,
 ya no eres mi princesa de antes.
 Solo quieres ver la vida en libertad,
 quieres luchar contra las injusticias
 y al mundo salvar.
 Yo quiero que tú seas como antes,
 quiero que tengas esa mirada vibrante.
 Yo quiero que me des tus abrazos,

English

I am still lost in this world,
 searching for some truth.
 Walking towards nowhere,
 trying to understand this new reality.
 I want to be the perfect man,
 I want to have the ideal character.
 I want to offer you so much
 and love you until the end.
 But you, you have changed,
 you are no longer my princess from before.
 You only want to see life in freedom,
 you want to fight against injustices
 and save the world.
 I want you to be like before,
 I want you to have that vibrant look again.
 I want you to give me your hugs,
 to talk to me about love,
 to love me again.
 You want me to give up my dreams,
 you want me to focus on you.
 You want me to do everything you ask,
 to put all my passion and mind into you.
 I want you to be like before,
 I want you to have that vibrant look again.
 I want you to give me your hugs,
 to talk to me about love,
 to love me again.
 I want you to go to the ends of the earth,
 to discover what you've lost.
 I want you to understand that I am no longer yours,
 I want you to know I am choosing a new path.
 But you, you have changed,
 you are no longer my princess from before.
 You only want to see life in freedom,
 you want to fight against injustices
 and save the world.
 I want you, you have changed
 you are no longer my old princess.
 You only want to see life in freedom,
 you want to fight against injustice
 and save the world.
 I want you to be like before,
 I want you to have that vibrant look again.
 I want you to give me your hugs,
 to talk to me about love,
 to love me again.
 You want me to give up my dreams,
 you want me to focus on you,
 You want me to do everything you ask,
